The Company recommends that shareholders carefully review in advance the procedures needed to gain admission to the Annual Meeting.

Whether or not a shareholder plans to attend the Annual Meeting, the Company urges shareholders to vote and submit their proxy in advance of the Annual Meeting by one of the methods described in the proxy materials for the Annual Meeting.

A notice regarding this change to a virtual meeting format (the "Notice") is being filed with the Securities and Exchange Commission together with this press release. Additional information regarding the Annual Meeting, shareholder participation and voting is provided in the Notice, which all shareholders are urged to read.
